

**A Click Away**

Receive access to our A Click Away downloads including, extra practice pages and additional activities and lessons to supplement your classroom instruction to send home with your students.

**Animations**

Use these fun and engaging animations to help your students with letter formations.

**Connections Videos (Our World)**

Open this icon to launch Our World videos. These videos enrich learning by making connections between the activity content and the real world.

**Letter & Number Formation**

Selecting this icon allows you to open up the letter or number for that page, which will show the letter formation and instructions on how to form the letter. Then, your students will be able to try it themselves.

**Live Teaching Videos**

This icon opens up supplemental lesson videos in a classroom setting.

**Mat Man Books Read Aloud**

Select this icon to play the audio for a single page in a Mat Man book.

**Music**

This will play a song from *Get Set for School Sing Along* Album or *Sing, Sound & Count With Me* Album.

**Wet-Dry-Try**

Clicking on this icon will open up a letter or number using Wet-Dry-Try modeling to allow your students to use the sponge, cloth, and chalk to trace the letter.

**Wood Pieces for Capital Letters**

Use this to show your students how to form capital letters using our Wood Pieces.
